[My GitHub Pages](#)

Hi, welcome to my GitHub Pages. The site style is adapted from the awesome and versatile [Minimal Mistakes Jekyll theme](#). Please see `CHANGELOG.md` for details.

Local time conversion to [ISO-8601](#) standard date expression:

- [Stackoverflow](#)
- To include the updated date, add the following in the YAML front matter:

  `last_modified_at: <ISO-8601 expression>`

Useful websites for web element design:

- Social icon images: [Font Awesome](#)
- Figures: [Unsplash](#)
